

Gloucester Museum School Project Adventure Summer Camp

Scholarship Application

APPLICATION DEADLINE: June 1

GMS Project Adventure Summer Camp has a limited number of partial and full scholarships for the Summer Camp season.

Scholarships can cover a portion of the tuition or all of the tuition, minus a \$25 application fee.

Scholarship funds are used for students who otherwise could not afford to attend the GMS day camp.

We give priority to students who help make the camp more diverse, who have demonstrated an interest in outdoor adventure learning and who can benefit from the GMS Project Adventure experience.

The final decision is based on the applicant's need and merit, and the limited number of scholarships available. GMS may only provide financial assistance once each year per person.

We will notify you once a decision has been made regarding your request, prior to the start of camp. If you do not receive a scholarship your \$25.00 check will be returned to you.

PLEASE NOTE: In the event that you are not awarded a scholarship, you will not automatically have a space reserved in the camp. *If you would like a guaranteed space in the event that you do not receive a scholarship, you will need to fill out an enrollment form and make a separate non-refundable deposit of \$100.00.*

We receive many more applications than our limited funds can cover. For that reason, please be as complete as you can in the information you give us; it is all we can go by in making our decision. If you have any questions, please call Jo-Anne Crawford at (978) 283-5300.

Send completed application to:
